Own an ISOLATION TANK OF HAPPINESS - Captive PETS!

that's ALL. In a matter of days your INTERSTELLAR UP TO "SOMETHING"! Always attempting to "escape," SPACE PUNKIES will awaken from "cryogenic" slumber. these mischievous space creatures plot, scheme and very eyes. Now, simply maintain them at a perfect 71.69 full of mischief, you'll never tire of watching them try to degrees fahrenheit as they bring laughter and joy (and flee. And raising Space-Punkies is so easy (kind of), maybe some other things)

to your suburban home.

Yes, they revive semi-instantly, almost right before your conspire with each other. Because they are so funny and even a five-year old can do it (probably.) Space-Punkies eat very little (that we know of) and they keep their bowl so clean, they require only the minimum of care, though we do want to remind you about the perfect 71.69 degree temperature. Anyone who enjoys the company of intergalactic space creatures will absolutely

LOVE Space-Punkies.

YES! I will send you a self-addressed stamped envelope, along with this coupon and \$1 to the below address and you will maybe send me something. No promises.
